On the one by site, do you want the TEPS and program contacts column?

The CERCLA general one is only 2 pages – with only 2 attorneys. The other CERCLA one by site includes too much information – I want to send it to the program clients but do not want to include status and next steps.

So I thought the 3 I sent you covered 1., 2., and 4.

Hi Ellen. Here is the list of reports I am looking for:

1. All CERCLA cases organized by attorney name and including the following fields: attorney name (including unassigned), site name, location, statute, program contacts, status, LEP next steps.
2. All CERLCA cases organized by site name, location, statute, attorney name (including unassigned)
3. All RCRA cases by attorney name and including the following fields: attorney name, statute, facility name and location, SOL, status, LEP next steps
4. All non-case work listed for everyone in my section.
5. Comprehensive list of all assignments for everyone in LEP; one in alphabetical order by case name, the other by attorney name. Both reports should also include the following fields: statue, and site/facility location.

Thanks.
